Decision Notice  
Havre Trap Club Shooting Range Grant  
August 11, 2009

Montana Fish, Wildlife and Parks released a draft Environmental Assessment (EA) on July 23, 2009 for review and public comment regarding a proposal to grant \$11,940 in Shooting Range Enhancement Grant funds to the Havre Trap Club for construction of a handicap restroom, extend parking slab with handicap parking, handicap sidewalk and a privacy fence.

The range is located South of Havre, MT off county highway 234. The club property is leased from the City of Havre at SW1/4NW1/4NW1/4 of Section 21, Township 32 North, Range 16 East, M.P.M., Hill County, Montana.

The Draft EA was posted on FWP's web site and a legal ad was placed in the Havre Daily News with a 14-day comment period. Having received no comments, the Draft EA is now a Final EA with **Alternative A** (construct a handicapped restroom, handicap access parking and privacy fence to the existing rifle range) as the preferred alternative. Funding for this proposed project is approved and the project will proceed.
